Document Description

The California Fish and Game Commission (Commission) proposes to amend Section 230 in Title 14, California Code of Regulations (CCR), related to issuing permits for contests offering prizes for taking game fish.

The proposed amendment would enable the California Department of Fish and Wildlife to provide a fishing contest permit application process to distribute limited permits more equitably. The proposed amendment would resolve issues with the current permit issuance requirements and processes which do not meet the needs of today's contest applicants.

The Commission will consider this action at a meeting scheduled on June 16, 2022 at 8:30 a.m., or as soon thereafter as the matter may be heard, at the California Department of Transportation Building, Conference Room 1.040A,B,C, 100 S. Main Street, Los Angeles, California, and the Trinidad Rancheria Administrative Office Conference Room, 1 Cher-Ae Lane, Trinidad, California.

Interested parties may participate in person in Los Angeles or Trinidad, or via webinar/teleconference. Background information and instructions for participation in the hearing will be posted at <http://www.fgc.ca.gov> in advance of the meeting or may be obtained by calling 916-653-4899.
