- Statutory Exemptions. State code number: _____

Reasons why project is exempt:

This project will be a minor alteration to an existing facility with no expansion beyond the existing use of the facility and is therefore exempt under section 15301. The project is also exempt under section 15303, because it will install new, small charging equipment to an existing site. Lastly, the project will consist of minor alterations to public land through minimal trenching and directional boring, making it exempt under section 15304. Given these three exemptions, the project will not have a significant effect on the environment.
