Project Description: (please use a separate page if necessary)

The project would modify/expand the existing dairy to house an additional 2,150 animals over the 4,450 animals currently on site. It would include construction of supporting buildings and features at the dairy facility, and removal of some existing buildings. Approximately 24.2 acres of cropland would be converted to active dairy facilities.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
