Project Title: Rhiannon Solem - Environmental Review of a Coastal Grading Permit - GP2022-01C

Project Applicant: Rhiannon Solem

Project Location (include county): 41°59'26.1"N 124°12'9"W, Del Norte County, California

Project Description:

In 2011, a small, Class II stream was impacted by filling in approximately 170 feet of the channel in two places using woody debris and soil as fill. The proposal includes removal of some of the fill, leaving newly created wetlands intact, and replacement of an aging culvert located on the property. The proposal also includes a monitoring and reporting program that will report to permitting agencies on progress of the area for at least three years after restoration work is completed.

This is to advise that the Del Norte County Planning Commission has approved the above (Lead Agency or Responsible Agency)

described project on July 6, 2022 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
