Project Description: *(please use a separate page if necessary)*

The California Department of Transportation (Caltrans), as part of the State Highway Operation and Protection Program and in part as a response to an emergency safety Director ' s Order executed in 2021 due to an accident rate of more than four times the statewide average, proposes to permanently eliminate cross traffic access to State Route 99 at Encinal Road and Live Oak Boulevard in Sutter County at Lomo Crossing from south of Encinal Road/Live Oak Boulevard to north of Kent Avenue (PM R34.8/36.6); improve access at the Eager Road (PM R33.8/R34.0) interchange; and improve acceleration features in proximity to the railroad crossing at Lomo for both the approach and departure directions of travel for vehicles required by law to stop at the railroad crossing.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
