Thank you Tesfu,

I will not condition for a trail or a trail easement for this project. If in the future there is to be a trail the County can work that out later.

Currently, the surrounding approved projects do not have any conditioned trail segments that would connect to a trail on the south side of Newport.

-Phayvanh

Hello Phayvanh,

Newport Road is designated as a Major Highway and half-width right-of-way shall be 59' per Standard No. 93, Ordinance 461. Is the trail will be outside the road right-of-way?

Thank you

Tesfu
