Re: Update to Electronic Filing and Posting of Notice of Exemption for the South Los Angeles Community Emissions Reduction Plan per Assembly Bill 617

Dear Ms. Vaba:

On June 3, 2022, Kevin Ni of my staff uploaded to OPR's ceqanet website a Notice of Exemption for the project referenced above. After uploading, I was alerted that Baldwin Park, in lieu of Baldwin Hills, was inadvertently identified in the project location section as one of the cities in the area defined as the South Los Angeles Community. To remedy this error, we have prepared an updated version of the Notice of Exemption which now reflects Baldwin Hills in the project location description. No other changes to the Notice of Exemption were made.

Please let this letter serve as a formal request to replace the Notice of Exemption dated June 3, 2022 with the attached updated version dated June 8, 2022.

If you have any questions regarding this request, please call me at (909) 396-2716. Thank you for your kind attention regarding this matter.

Sincerely,

A handwritten signature in black ink that reads "Barbara Radlein".
