Attention: State Clearinghouse

**Subject: Phase II Environmental Site Assessment for the Civic Center Drive
Family Housing Project Mitigated Negative Declaration (PLN21-15206 /
SCH#2022060217)**

To whom it may concern:

A Phase II Environment Site Assessment dated February 2, 2022 for the Civic Center Family Housing Project was inadvertently omitted from the Mitigated Negative Declaration (MND) submittal to the State Clearinghouse on June 10, 2022. The Phase II document was sent to the State Clearinghouse attached to an email earlier today. The City requests that the Phase II document be upload to the State's CEQA website site for the Project (SCH#2022060217).

Sincerely,
