Attention: State Clearinghouse

**Subject: Civic Center Drive Family Housing Project Revised Notice of Availability of a Mitigated Negative Declaration (PLN21-15206)**

To whom it may concern:

A Revised Notice of Availability has been prepared for the Civic Center Drive Family Housing Project located at 1601 Civic Center Drive. The original notice that was sent to the State Clearinghouse listed [www.santaclara.gov/CEQ](http://www.santaclara.gov/CEQ) as the site for review of the document. The correct site is [www.santaclaraca.gov/CEQA](http://www.santaclaraca.gov/CEQA) as provided on the Revised Notice of Availability. This is the only change that was made on the Notice. The City requests that the Revised Notice replace the original and upload to the State's CEQA website.

Sincerely,
