RE: Request for Extension of Public Review for Final DEIR (Nakano Project; SCH # 2022060260)

To Whom It May Concern,

As lead agency for the Nakano Project, the City of Chula Vista is requesting an extension of the public review for the Final DEIR for the Nakano Project, located in the City of Chula Vista, SCH # 2022060260.

Public review is scheduled to end June 11, 2024. The City requests a two week extension of the statutory 45 day period, allowing public review to remain active until June 26, 2024. This request is being made to allow the California Department of Fish and Wildlife and U.S Fish and Wildlife Service additional time to review the complex biological resources issues associated with the project.

Thank you for your immediate attention to this matter.

Sincerely,

Marc Cass
