

Inland Valley Development Agency

MEMORANDUM

February 27, 2023

From: Myriam Beltran

To: State Clearinghouse

Subj: Airport Gateway Specific Plan Draft PEIR (SCH #2022060349)

The above referenced project (SCH #2022060349) was originally posted with the State Clearinghouse for review beginning on December 12, 2022 (60-day review period). I was just made aware that the original posting of the Draft PEIR, under the Summary, the Lead Agency is identified as Inland Empire Utilities Agency and not Inland Valley Development Agency; however, the contact information is correct with Inland Valley Development Agency identified as the Lead Agency and contains the correct information.

We somehow need to make this correction in the system.

Do not hesitate to give me a call if you have any questions.

Myriam Beltran
Manager of Planning and Program
INLAND VALLEY DEVELOPMENT AGENCY
