Project Title: Metro G Line Stormwater Infiltration and Quality Project

Project Applicant: Los Angeles Metropolitan Transportation Authority

Project Location (include county): Los Angeles, California- Los Angeles County

Project Description:

The Los Angeles County Metropolitan Transportation Authority (Metro) proposes to develop the Metro G Line Stormwater Infiltration and Quality Project (Project) in Los Angeles County, California. The proposed Project has an objective of using a progressive design-build process to construct a network of infiltration drywells, or equivalent infiltration/recharge best management practices (BMP) across seven locations within Metro properties along the Metro G Line (MGL), with pretreatment facilities to capture, treat, and infiltrate stormwater runoff from over 2,300 acres, resulting in an estimated groundwater recharge of 890 acre-feet per year into the San Fernando Groundwater Basin. The proposed Project locations are within Metro-owned parcels and right-of-way (ROW), and the remaining proposed Project is within public right-of-way.

This is to advise that the The Los Angeles County Metropolitan Transportation Authority has approved the above
 Lead Agency or Responsible Agency

described project on 09.22.2022 and has made the following determinations regarding the above
 (date)
 described project.

1. The project [will will not] have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [were were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [was was not] adopted for this project.
5. A statement of Overriding Considerations [was was not] adopted for this project.
6. Findings [were were not] made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
