Mitigated Negative Declaration for the West Marin Drainage Rehabilitation Project

Department: Marin County Department of Public Works

Project Location: Three road segments: (1) Point Reyes-Petaluma Rd between the intersections with Hwy 1 and Platform Bridge Rd; (2) Lucas Valley Rd between Big Rock and Nicasio Valley Rd; and (3) Nicasio Valley Rd between Sir Francis Drake Blvd and Lucas Valley Rd.

Project Contact: Betsy Swenerton, Senior Project Manager **Phone Number:** (415) 473-6680

Project Summary: The County proposes to conduct maintenance activities to rehabilitate existing road pass-through culverts and repair eroded roadside embankments (slip-outs). The proposed project would address culvert deficiencies using a variety of maintenance treatment types specific for each location.
