Project Title: Thamer Bridge RR Flat Car Bridge - Boulder Creek

Project Location (include county): Boulder Creek, tributary to South Fork Scott River (Class I) in Siskiyou County, state of California. Property parcel APN is 031-100-120-000, location is Township 40 North, Range 09 West, Section 36 MDBM. Geological Survey (USGS) quadrangle map 7.5" covering the area is "Callahan". CalWater I.D. for the project area is 1105.420303 (Lower Scott River), and 1105.420302 (Fox Creek).

Project Description: The California Department of Fish and Wildlife has executed Lake and Streambed Alteration Agreement number EPIMS-SIS-29254-R1, "Thamer Bridge" pursuant to Section 1602 of the Fish and Game Code to Mr. John McDonagh in conjunction with Emergency timber harvest notification # 2-22EM-00083-SIS-R1 previously approved by the California Department of Forestry and Fire Protection.

The project is limited to (2) encroachments total which includes installation of a temporary steel bridge across Boulder Creek, and installing a water drafting site at the same bridge site to be used to provide a water source for dust abatement during timber harvest activities. Work to be done will facilitate access across the Boulder Creek watercourse to access fire damaged timber stands and repair damaged roads on private timberlands from wildfires in 2021.

Public Agency Approving Project: CALIFORNIA DEPARTMENT OF FISH AND WILDLIFE

Person or Public Agency Carrying Out Project: Mr. John McDonagh, private landowner

Exempt Status:

Statutory Exemption.

Categorical Exemption. Type – Class 1, Class 4; California Code of Regulations, title 14, section 15301: Class 1 – Operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that existing at the time of the lead agency’s determination; and Class 4 – Minor public or private alterations in the condition of land, water, and/or vegetation which do not involve removal of healthy, mature, scenic, trees except for forestry and agricultural purposes.

Reasons why project is exempt: This project meets the criteria for exemption because it consists of minor alteration to lands to maintain and/or repair existing facilities, repair watercourse crossings and/or upgrading of roads with minor alterations to condition of land, water, or vegetation.

CDFW Contact Person: Steven Criss, Environmental Scientist, (530) 225-2370.
