Description of Nature, Purpose and Beneficiaries of Project:

The State's Homekey Program has made funding available for local jurisdictions to construct new dwelling units for permanent housing of the chronically homeless who are impacted by COVID-19. In September 2021, the California Department of Housing and Community Development announced approximately \$1.45 billion of Homekey grant funding through its Round 2 Notice of Funding Availability (NOFA). In January 2022, the City of Vallejo applied jointly with Firm Foundation Community Housing and Shelter, Inc. for the Homekey Round 2 NOFA to own and operate the subject parcel for use as permanent supportive housing. On May 10, 2022, the applicants were awarded \$12.1 million dollars for the 48-unit new construction permanent supportive housing project. Shared amenities will include a community room, courtyard, and access from both inside and out to a 1,600 Sq. Ft. rooftop deck.
