Project Title: Colony Flood Control Maintenance (Notification of Lake or Streambed Alteration, No. 1600-2020-0168-R5)

Project Location (Los Angeles County): The project is located in the City of Calabasas, Los Angeles County, California. The project is located south of Agoura Road and is off of Las Virgenes Road at The Colony Residential Development.

Project Description: The California Department of Fish and Wildlife has executed Lake and Streambed Alteration Agreement Notification No. 1600-2020-0168-R5, pursuant to Section 1602 of the Fish and Game Code to Shea Homes (Permittee) as represented by Brooke Doi.

The project is limited to the routine maintenance of four existing facilities that consist of two detention basins and two outflow structures. Periodic excavation, land clearing, repairs, maintenance, fire hazard clearing, and vegetation removal will be implemented within these facilities. Mud, rock, and various debris will also be removed from these structures.

Public Agency Approving Project: CALIFORNIA DEPARTMENT OF FISH AND WILDLIFE

Person or Public Agency Carrying Out Project: Shea Homes

Exempt Status:

- Statutory Exemption.
- Categorical Exemption. Type – Class 1; California Code of Regulations, title 14, section 15301

Reasons why project is exempt: The project consists of maintaining four existing debris basins and outflow structures. This maintenance is necessary so that each facility functions to its designed capacity. No expansion of use for any of these facilities is proposed.
