**Project Description:** (please use a separate page if necessary)

The 2040 General Plan would serve as a long-term framework for future growth, establish the City's eight-year housing plan from 2023 to 2031, reflect issues identified from community input and changes in State law, and update all elements of the General Plan including the Land Use and Community Design; Housing, Economic Development; Public Facilities, Services and Infrastructure; Mobility; Open Space, Parks, and Recreation; Environment; and Hazards and Safety. The update to the General Plan would include, but is not limited to, revisions to policies, narratives, data, and figures to reflect the new buildout period. The Zoning Code would also be amended to ensure consistency with the General Plan (including Housing Element).

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
