MEMORANDUM

July 27, 2022

From: Kaitlyn Dodson-Hamilton

To: State Clearinghouse

Subj: City of Chino State Street Water Treatment Project (SCH #2022070197)

On July 13, 2022, Tom Dodson & Associates (TDA) aided the City of in publishing the Initial Study for the City of Chino WA212 State Street Water Treatment Project. This Initial Study was uploaded to CEQASubmit and assigned SCH#2022070197 (Review period 7/15/22 – 8/15/22).

We discovered that there were a few nominal, minor errors in the Notice of Intent. The errors in question included an incorrect reference to a Planning Commission hearing and an incorrect date for the referenced hearing on the Project. This has been corrected in the attached Notice of Intent to reference the correct hearing date and the correct group at the City of Chino that will consider the Project: the City of Chino City Council. Additionally, the review period on the Notice of Intent has been updated to reflect the dates posted on the State Clearinghouse website. We would like to submit the correct Notice of Intent as a separate file to be uploaded.

Please accept our deepest apologies for this error. Do not hesitate to give me a call if you have any questions.
