WHAT IS BEING PLANNED?

The Project is located in Corte Madera, Marin County, on U.S. 101 at post mile (PM) 7.37. The Project proposes to upgrade the structure over U.S. 101 at Tamalpais Drive Overcrossing (OC) by replacing the existing nonstandard pedestrian facilities with Americans with Disabilities Act (ADA) compliant features. The Project also includes seismic structural improvements, intersection modifications, reconfiguration of the U.S. 101 on/off-ramps, and repairs and maintenance of the existing structure.
