Project Title: Parlier 2022 Road Rehab

Project Applicant: City of Parlier

Project Location Specific: This project is in the City of Parlier at various locations, as follows:
Along Parlier Ave between Academy Ave and Mendocino Ave; along Young Ave between Academy Ave and Symrna Ave; along Symrna Ave between Parlier Ave and Young Ave; along Wrico Ave between Parlier Ave and Young Ave; along Milton Ave between Ann Ave and Young Ave; along Ann Ave between Milton Ave and Mendocino Ave; along Madsen Ave between Tuolumne St and Manning Ave; along Pettit St between Tulare St and Tuolumne St; along Tuolumne St between Fett St and K St; along 3rd St between Newmark Ave and Fig Ave; along Fig Ave between South Ave and 3rd St; along Independencia Ave between J St and H St; along Progresso Ave between H St and Independencia Ave; along H St between Tulare St and Independencia Ave; and along Stanislaus St between H St and Zediker Ave.

Project Location City:

Parlier

Project Location County:

Fresno County

Description of Nature, Purpose and Beneficiaries of Project:

The purpose of this project is to apply a micro surfacing treatment over various roadways to increase the serviceability of these roadway segments throughout the city. After the micro-surfacing is applied, striping, and markings will be installed over the roadways to improve roadway safety. This project is intended to benefit all roadway users of the City of Parlier.

Name of Public Agency Approving Project: City of Parlier

Name of Person or Agency Carrying out Project: City of Parlier

Exempt Status (check one):

- Ministerial (Sec. 21080(b)(1); 15268;
- Declared Emergency (Sec. 21080(b)(3); 15269(a));
- Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
- Categorical Exemption. State type and section number:
14 CCR 15301(c)- Existing Facilities
- Statutory Exemptions. State code number:

Reason why project is exempt:

The work of this project will all occur within existing public facilities. There will not be a need for additional right-of-way to be acquired in order to carry out this project, thus there will not be any expansion of use associated with this project. The improvements are intended to extend the service life of the various existing roads that are part of the project and improve overall roadway safety with new

striping, signage, and markings. Furthermore, pursuant to Section 15300.2 (Exceptions) there is not a reasonable expectation that this project will cause a significant cumulative effect on the local environment due to unusual circumstances associated with this project because it is not adding additional lanes or constructing new facilities. Similarly, the various roadway segments are not classified as scenic highways. There is not any officially designated historical or scenic resource within the project limits that may be affected. Additionally, the project limits will not include any site what has been included on any list compiled pursuant to Section 65962.5 of the Government Code.

Lead Agency Contact Person: Orfil Muniz, PE
Staff Engineer Phone Number: (559) 429-4747
