Project Description: *(please use a separate page if necessary)*

MTS and SANDAG propose to construct the Clean Transit Advancement Campus, a new bus maintenance and charging facility for electric buses, near the intersection of Federal Boulevard and 47th Street in the City of San Diego. The proposed project is located north of Federal Boulevard and west of 47th Street and divided in two portions that are separated by a driveway/access road to a distribution center. The smaller portion of the project site occurs on the eastern side and is proposed for employee parking and an administration/operation building, and the larger portion occurs on the western side and is proposed for bus parking/charging, maintenance bays, bus washes, and an operations building. Access to the project is proposed to be located at up to four driveways along the Federal Boulevard project frontage.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
