Project Title: PAL Bridge 07000015

Project Applicant: Bridge Energy

Project Location: Brea-Olinda Oil Field

County: Orange

Section: 7

Township: 03S

Range/Baseline: 09W / SB B&M

Latitude/Longitude: 33.92616653, -118.86299133

Project Description: Bridge Energy LLC (Bridge) has applied for a modification of the current Water Injection UIC project (UIC #07000015) to extend the current PAL for an additional 20 years and change the designated ownership. The current Water Injection UIC project was initiated May 9, 2012, with the issuance of a Water Injection Project Approval Letter to Linn Operating, Inc. There is one injection well associated with the project. The UIC project well Stearns 52-A (API# 0405900932) is a waterflood well that is currently active. There will be no ground disturbance, grading or road construction associated with this project. The facility will not be modified (i.e. no new electrical lines or tanks).

Details on Underground Injection Control can be found on CalGEM's website at: <http://www.conservation.ca.gov/calgem/Pages/Undergroundinjectioncontrol.aspx>

Exempt Status: As the Lead Agency, the Geologic Energy Management Division (CalGEM) determined that the proposed project is exempt from further environmental review requirements of the California Environmental Quality Act (CEQA), pursuant to the specified exemptions marked in the section below. The proposed project would not result in a significant adverse impact to the environment, or that any of the exceptions to the exemptions apply (14 CCR 15300.2).

Exemption Type	Statute (PRC)	Regulation (14 CCR)	
<input type="checkbox"/> Statutory Exemption:			
<input checked="" type="checkbox"/> Ongoing Project (<i>pre-CEQA. Approval prior to April 5, 1973</i>)	21169	15261 (b)	
<input type="checkbox"/> Ministerial	21080 (b)(1)	15268	
<input type="checkbox"/> Declared Emergency	21080 (b)(3)	15269 (a)	
<input type="checkbox"/> Emergency Projects	21080 (b)(4)	15269 (b) or (c)	
<input checked="" type="checkbox"/> Categorical Exemption:	21084		
<input checked="" type="checkbox"/> Class 1: Existing Facilities		15301	1684.1
<input type="checkbox"/> Class 3: New Construction/Conversion of Small Structures		15303	
<input type="checkbox"/> Class 4: Minor Alterations to Land		15304	1684.2
<input type="checkbox"/> Class 6: Information Collection		15306	
<input type="checkbox"/> Class 7: Protection of Natural Resources		15307	
<input type="checkbox"/> Class 8: Protection of the Environment		15308	
<input type="checkbox"/> Class 11: Accessory Structures		15311	
<input type="checkbox"/> Class 21: Enforcement Actions to revoke a permit		15321	
<input type="checkbox"/> Class 30: Minor Actions to Prevent, Minimize, Stabilize, Mitigate, or Eliminate a Release (Actual or Threat) of Hazardous Substances (Waste or Material)		15330	
<input type="checkbox"/> Class 33: Small Habitat Restoration Projects		15333	
<input type="checkbox"/> General Exemption ("common sense")		15061 (b)(3)	
<input type="checkbox"/> Not a "Project" subject to CEQA		15378 (b)(2)	

➤ **Reasons Why Project is Exempt:**

The basis for CalGEM's determination that the project is exempt from further CEQA review is briefly explained below.

15261(b) Ongoing Project: CalGEM has determined that the project is statutorily exempt under the Ongoing Project (14 CCR 15261 (b) exemption per the CEQA Guidelines because the UIC project proposed continued operation of an existing well that received approval prior to April 5, 1973. The UIC activities do not involve a greater degree of responsibility and control over the project as a whole than did approval of the existing well.

Class 1 – Existing Facility: The project is categorically exempt from CEQA under the "Class 1" (14 CCR §15301) exemption per the CEQA Guidelines and CalGEM's regulations (14 CCR §1684.1) because the project proposes continued operation of a single permitted well and does not include expansion of existing use.

Exceptions to Exemptions: CalGEM further finds that there are no exceptions to the otherwise-applicable categorical exemptions (PRC §21084; 14 CCR 15300.2(c)). There is no substantial evidence that there are any "unusual circumstances" associated with the proposed project that create a reasonable possibility that the activity will have a significant effect on the environment and that there is no significant "cumulative impacts" resulting from successive projects of the same type in the same place. Therefore, this project is not subject to CEQA.

A copy of this NOE and all other related materials are available for public inspection at CalGEM's CEQA Unit, located at 801 K Street, 14th floor, Sacramento, CA 95814; or an electronic copy of these documents may also be accessed online at the State Clearinghouse: <https://ceqanet.opr.ca.gov>
