P.O. Box 3044, Room 113
Sacramento, CA 95814

FROM: Tehama County Public Works
9380 San Benito Ave
Gerber, CA 96035

Tehama County Clerk
County of Tehama
633 Washington St, Room 11
Red Bluff, CA 96080

Project Title: Reeds Creek Road Emergency Repair Project

Project Location – Specific: Reeds Creek Road approx. 0.5 mi west of Moon Shadow Ranch Rd, just west of the Liza Cr crossing

Project Location – City: Red Bluff **Project Location – County:** Tehama

Description of Project: The Tehama Co Public Works Department proposes to repair and realign approx 500 ft of Reeds Cr Rd where it has been washed out by Liza Cr. The creek runs immediately adjacent and parallel to the road and is approx. 30 ft below the roadway. The road will be reestablished in its original alignment and the roadway embankment protected with rock. The low flow channel of the creek will also be moved back to its original alignment within the existing creek channel. A temporary road detour will be constructed to maintain traffic flows during the project.

Name of Public Agency Approving Project: Tehama County

Name of Person or Agency Carrying Out Project: James Simon, Director, Tehama Co Dept of Public Works

Exempt Status: *(check one)*

- Ministerial [Section 21080(b)(1); 15268]
- Declared Emergency [Section 21080(b)(3); 15269(a)]
- Emergency Project [Section 21080(b)(4); 15269(b)(c)]
- Categorical Exemption. State type and section number:
- Statutory Exemptions. State code number:

Reasons why project is exempt: Statutory exemptions include emergency repair projects necessary for maintaining services essential to the public's health, safety, and welfare. Specific actions necessary to prevent emergencies are also included. The work involves realigning Reeds Cr Road back to its original alignment. The road is currently a one lane road which is being actively eroded by the creek, located 30 vertical ft below the roadway. Water pollution control measures will be implemented as required by the County's storm water pollution control standards. The project will be implemented under the provisions of resource agency emergency permitting authorities. There are no active hazardous waste sites within the project limits as documented in Geotracker.

Lead Agency Contact Person: Jessica Pecha

Telephone: 530-385-1462, ext 3026

If Filed by Applicant:
