DA NO.	22-31	Environmental Document No.	2022-02
PROJECT TITLE	Safety Element – Update to the City’s previously adopted Safety element		
APPLICANT NAME & PHONE NUMBER	City of Grover Beach (805) 473-4520	Email	commdev@groverbeach.org
MAILING ADDRESS:	154 South 8 th Street	Grover Beach, CA 93433	
STAFF CONTACT:	Bruce Buckingham, Community Development Director	(805) 473-4520	commdev@groverbeach.org
PROJECT ADDRESS:	City Wide Project		

PROJECT DESCRIPTION:

Government Code Section 65302 requires that a city’s general plan include the following elements: land use, circulation, housing, conservation, open space, noise, safety, and environmental justice. The goal of the safety element is to reduce the potential short and long-term risk of death, injuries, property damage, and economic and social dislocation resulting from fires, floods, droughts, earthquakes, landslides, climate change, and other hazards (Governor’s Office of Planning and Research 2017). In 2019, City staff to begin updates of the City’s existing General Plan Safety Element for consistency with newly enacted state laws.

The Safety Element update includes the following components:

- Hazards Assessment
- Safety and Hazard Mapping
- Climate Change Vulnerability Assessment
- Goals, Policies, and Implementation.

Public Notice:

The City of Grover Beach is releasing a draft initial study and Negative Declaration for a project that is city wide for public review and comment to all effected agencies, organizations, and interested parties. Reviewers should focus on the content and accuracy of the report and the potential impacts upon the environment. The notice for this project is in compliance with the California Environmental Quality Act (CEQA). Persons responding to this notice are urged to submit their comments in writing to the City (Lead Agency) no later than 5pm on the date listed as “review period ends”. Submittal of written comments via email is also accepted and should be directed to the Staff contact at the above email address. This document may be viewed by visiting the Community Development Department listed under the lead agency address, or accessed via the City’s website.
