

Notice of Exemption

To:
Office of Planning and Research
P.O. Box 3044, Room 113
Sacramento, CA 95812-3044

From:
State Water Resources Control Board
Division of Drinking Water

2375 Northside Drive, Suite 100

San Diego, CA 92108

619-525-4159

Project Applicant: Lake Hemet Municipal Water District

Project Title: Well 8A (Project)

Project Address: 25011 Wendell Dr, Hemet, CA 92544

Project County: Riverside

Project Description:

The project involves the replacement of Well 8 with Well 8A, located within the same well site property. The project consists of the construction and equipping of the new Well 8A at the same site as destroyed Well 8, and installation of disinfection equipment to provide chlorination of water produced by Well 8A.

Public Agency Approving the Project: State Water Resources Control Board (State Water Board)

This is to advise that the State Water Board has issued a domestic water supply permit for the described project on 12/08/2022. A record of approval for the Project is available to the general public at the State Water Board, Division of Drinking Water District Office noted above.

Exemption Status:

Categorical Exemption(s)

Class 1: Existing Facilities (Article 19 Section 15301); Class 2: Replacement or Reconstruction (Article 19, Section 15302)

Reason why project is exempt:

The project components meet the criteria under Sections 15301 and 15302 for the replacement or reconstruction of existing facilities involving negligible or no expansion of capacity.
