RE: State Clearinghouse (SCH) No. 2022080371

To whom it concerns,

It has been brought to our attention that the documents were submitted for the Go-Store-It Self Storage project ([SCH No. 2022080371](#)) with a confidential Cultural Resources Assessment that has information that should not be displayed online.

We need to remove the confidential Cultural Resources report and replace that upload with the non-confidential version of the Cultural Resources report for public viewing.

If you have any questions, please do not hesitate to contact the lead agency, the City of Redlands Planning Division, at (909) 798 – 7562 or email 'bfoote@cityofredlands.org'.

Sincerely,

Brian Foote, AICP  
City Planner/Planning Manager
