Project Description (Proposed actions, location, and/or consequences).

The California Department of Transportation (Caltrans) proposes to build a wildlife overcrossing on State Route 20 in Colusa County at Post Mile 10.07.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

No impacts, no mitigation

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

The draft project report hasn't been circulated so there are no comments yet from the public and any controversy or concerns will become known after the environmental document has been circulated for 30 days.

Provide a list of the responsible or trustee agencies for the project.
