

**CEQA EXEMPTION / NEPA CATEGORICAL EXCLUSION  
DETERMINATION FORM (rev. 04/2022)**

**Project Information**

**Project Name (if applicable):** Grasshopper CIR

**DIST-CO-RTE:** 02-LAS-139

**PM/PM:** 32.0/38.0

**EA:** 02-3J750

**Federal-Aid Project Number:** 0222000080

**Project Description**

The California Department of Transportation (Caltrans), using state funding only, is proposing to restore the roadway to a condition that requires minimal maintenance. The project will perform a cold in place recycling on existing pavement and then place a 0.15' thin blanket of Hot Mix Asphalt (HMA). The project will cover approximately 6 miles of SR 139 in Lassen County (PM 32.0/38.0).

Continued to page 3.

**Caltrans CEQA Determination** (Check one)

- Not Applicable** – Caltrans is not the CEQA Lead Agency
- Not Applicable** – Caltrans has prepared an IS or EIR under CEQA

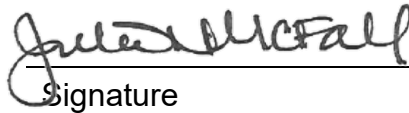

Based on an examination of this proposal and supporting information, the project is:

- Exempt by Statute.** (PRC 21080[b]; 14 CCR 15260 et seq.)
- Categorically Exempt. Class Class 1c.** (PRC 21084; 14 CCR 15300 et seq.)
  - No exceptions apply that would bar the use of a categorical exemption (PRC 21084 and 14 CCR 15300.2). See the [SER Chapter 34](#) for exceptions.
- Covered by the Common Sense Exemption.** This project does not fall within an exempt class, but it can be seen with certainty that there is no possibility that the activity may have a significant effect on the environment (14 CCR 15061[b][3].)

CEQA EXEMPTION / NEPA CATEGORICAL EXCLUSION DETERMINATION FORM

Caltrans NEPA Determination (Check one)

[X] Not Applicable

Caltrans has determined that this project has no significant impacts on the environment as defined by NEPA, and that there are no unusual circumstances as described in 23 CFR 771.117(b). See SER Chapter 30 for unusual circumstances. As such, the project is categorically excluded from the requirements to prepare an EA or EIS under NEPA and is included under the following:

[ ] 23 USC 326: Caltrans has been assigned, and hereby certifies that it has carried out the responsibility to make this determination pursuant to 23 USC 326 and the Memorandum of Understanding dated April 18, 2022, executed between FHWA and Caltrans. Caltrans has determined that the project is a Categorical Exclusion under:

- [ ] 23 CFR 771.117(c): activity (c)(Enter activity number)
[ ] 23 CFR 771.117(d): activity (d)(Enter activity number)
[ ] Activity Enter activity number listed in Appendix A of the MOU between FHWA and Caltrans

[ ] 23 USC 327: Based on an examination of this proposal and supporting information, Caltrans has determined that the project is a Categorical Exclusion under 23 USC 327. The environmental review, consultation, and any other actions required by applicable Federal environmental laws for this project are being, or have been, carried out by Caltrans pursuant to 23 USC 327 and the Memorandum of Understanding dated December 23, 2016 and executed by FHWA and Caltrans.

Date of Categorical Exclusion Checklist completion (if applicable): NA

Date of Environmental Commitment Record or equivalent: 8/17/2022

Briefly list environmental commitments on continuation sheet if needed (i.e., not necessary if included on an attached ECR). Reference additional information, as appropriate (e.g., additional studies and design conditions).

## CEQA EXEMPTION / NEPA CATEGORICAL EXCLUSION DETERMINATION FORM

### **Continuation sheet:**

All work will be confined within the existing roadbed hinge point. This project will not include removal of thermoplastic pavement marking as a separate process. No bridges or guardrails are within the project limits. Cold planing of the asphalt will be required to match existing roadway features, and shoulders will be backed to standard. The project would be constructed in 2023 and take approximately 30 working days.

**Purpose:** The purpose of the project is to provide efficient, easily maintained pavement that provides minimum maintenance for multiple years, as well as increase safety for travelers and workers.

**Need:** The pavement has degraded to a point where maintenance is required to extend its service life.

### **Right-of-Way**

Acquisitions or TCEs will not be needed for this project due to work being confined to ROW.

### **Staging/Stockpiling**

Multiple locations are available for staging/stockpiling use. No grading and/or site preparation will occur. Approved staging locations include: PM 32.2 SB, PM 34.7 NB, PM 38.23 NB, PM 38.25 SB.

### **Disposal/Borrow Sites**

The project would not utilize borrowed material. The contractor will be responsible for disposal of excess material.

### **Coordination/Consultation**

Based on the scope of the project, no outside coordination or consultation was carried out/required.

### **Permits**

No permits are necessary with current scope of work.

### **Utilities**

All utilities in proximity to the locations of work would be protected in place; no utility conflicts are anticipated.
