**Project Title:** Hageman Driveway Culverts (Lake or Streambed Alteration Agreement No. EPIMS-SHA-30677-R11)

**Project Location (Shasta):** The project is located at an unnamed tributary to Oregon Gulch; Latitude 40.55583, Longitude -122.44650; Assessor’s Parcel Number (APN) 203-100-028.

**Project Description:** The California Department of Fish and Wildlife has executed Lake and Streambed Alteration Agreement number EPIMS-SHA-30677-R11, pursuant to Section 1602 of the Fish and Game Code to Dennis Hageman.

The project is limited to grading and new construction of stream crossings to access a new home site on APN 203-100-028. Two new 18-inch corrugated metal culverts are proposed on the parcel, one of which will be built within an existing small onstream impoundment. No work to the impoundment is authorized in this Agreement by increasing the height or width. The new culvert will serve as the overflow. Rock rip-rap may be used to armor the face of the dam to prevent erosion. All work will conform to Shasta County Grading requirements.

**Public Agency Approving Project: CALIFORNIA DEPARTMENT OF FISH AND WILDLIFE**

**Person or Public Agency Carrying Out Project: Dennis Hageman**

**Exempt Status:**

Statutory Exemption.

Categorical Exemption. Type – Class 3; California Code of Regulations, title 14, section 15303- Construction of limited numbers of new, small facilities or structures, installation of small new equipment and facilities in small structures; and the conversion of existing small structures from one use to another where only minor modifications are made.

**Reasons why project is exempt:** The project proposes new construction of two new culverted crossings over ephemeral streams for residential access. There will be no significant adverse impact on endangered, threatened, or rare species or their habitat pursuant to §15065 of the CEQA Guidelines. The project will not result in impacts that are significant when viewed in connection with the effects of past projects, current projects, or probably future projects.
