Project Title: Otay Water District Trestle Bridge Demolition Project

Project Applicant: Otay Water District

Project Location (include county): Unincorporated Otay Mesa, San Diego County

Project Description:

The demolition of a steel trestle bridge & abandoned 30" water pipeline across the Otay River in the Otay Mesa area of San Diego County. The pipeline was replaced in 2001. The bridge also carries an abandoned high-pressure gas line that was replaced by SDG&E in 2017. Since the existing pipelines are no longer in service, the District is removing the trestle bridge and pipelines to address liability concerns.

This is to advise that the Otay Water District Board of Directors has approved the above (Lead Agency or Responsible Agency)

described project on Jan. 4, 2023 and has made the following determinations regarding the above described project.

- 1. The project will have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:

Otay Water District Administration, 2554 Sweetwater Springs Blvd., Spring Valley, CA 91978
