SUBJECT: Correction to CDPH's Notice of Exemption and CEQA Submit database regarding SCH 2022090113 Animal Confinement Regulations

The California Department of Public Health (CDPH) is reporting to you a typo that needs to be corrected in the CEQA Submit database. Also, attached is the corrected NOE for posting.

CDPH and the California Department of Food and Agriculture (CDFA) are both lead agencies for SCH 2022090113 regarding Animal Confinement Regulations. CDPH and CDFA each submitted a separate Notice of Exemption (NOE) and separately entered information into CEQA Submit using the same SCH number. CDPH submitted its NOE on 9/8/2022, which was received and posted on 9/9/2022.

CDPH now is aware of the following that needs to be corrected in its submission to the CEQA Submit database:

- In the database field called Document Description, the current "HSC sections 25990-29554" needs to be changed to "HSC sections 25990-**25994**" (emphasis added).
- The posted NOE for CDPH needs to be replaced with the attached corrected NOE.

Thank you for your assistance in this matter.
