Project Title: Water Conservation – Elihu Harris Building
Project Location – Specific: 1515 Clay Street
Project Location – City: Oakland, CA
Project Location – County: Alameda

Description of Nature, Purpose, and Beneficiaries of Project:

The proposed project will remove and replace approx. 4,315 square feet of landscaping at the Elihu Harris Building to help conserve water. Work will replace vegetation with more drought tolerant/resistant species, replace planting soil, and add landscaping materials such as gravel. Work will also replace the irrigation system(s), planter lighting, and replace/repair associated electrical work, and replace approx. 582 sf of concrete that is in disrepair.

Name of Public Agency Approving Project: California Department of General Services I
Name of Person or Agency Carrying Out Project: Kathy Sepp, Department of General Services

Exempt Status:

- Ministerial (§ 21080(b)(1); 15268)
- Declared Emergency (§ 21080(b)(3); 15269(a))
- Emergency Project (§ 21080(b)(4); 15269(b)(c))
- Statutory Exemption [Click here to enter text.](#)
- Categorical Exemption 15301 (a)

Reasons Why Project is Exempt:

The exemption allows for the operation, repair, maintenance or major alteration of existing public structures and facilities. The project involves no expansion of use and will have a negligible effect on resources in the area. The State confirms that no exceptions apply which would preclude the use of an exemption for this project.
