Project Description: (please use a separate page if necessary)

John Fugazi proposes to install a new pump turnout in Mormon Slough at 5503 N. Fine Road, in Linden CA. The new turnout would supply water for 43.85 acres of almond orchard. The pump will include an 8" pipeline with a flowrate of 500 gallons per minute. A 6" concrete slab would also be poured near an existing well to allow for the installation of a two-tank sand media filter. Stockton East Water District (District) is the CEQA lead agency.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with and "X". If you have already sent your document to the agency please denote that with an "S".
