Project Title: Amador County Ingress, Egress and Education Plan

Project Applicant: California Department of Forestry and Fire Protection

Project Location (include county): Amador County

## Project Description:

This project intends to treat approximately 1325 acres of roadside vegetation on private roads within unincorporated regions in Amador County. Roadside vegetation up to 10 inch dbh shall be removed within 20 ft of the road edge on either side. This will provide for safe & efficient ingress & egress of vehicles & equipment in the event of a fire & a safe place to effectively fight fires from. The reduction of roadside fuels will also slow the spread of fires started in or adjacent to the roadways. **+**
