Present Land Use/Zoning/General Plan Designation:

Various

Project Description: (please use a separate page if necessary)

The Plan provides a guide to develop an active transportation and recreational corridor for bicyclists, pedestrians, and equestrians; beautify the LACFCD ROW; and enhance stormwater management and natural habitats around river channels, stormwater channels, washes, and creeks in the SGV.

Beneficial Project Elements that are covered in the PEIR include greenway paths and amenities (e.g., shade structures, bike racks, informational signs, picnic tables, benches, trash receptacles, drinking fountains, decorative gates, lighting, etc.); pocket parks and greenspaces; safe crossings at roads, railroad tracks, and channels; and stormwater management opportunities (e.g., permeable pavements, bioswales, stormwater detention basins, etc.).

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X".
If you have already sent your document to the agency please denote that with an "S".
