

City of Hesperia

Gateway to the High Desert

DATE: October 31, 2022
TO: State Clearinghouse
FROM: Edgar Gonzalez, Associate Planner
SUBJECT: TTM 20450 – MND Public Review Extension

The City of Hesperia has approved a public review extension request for the Mitigated Negative Declaration for Tentative Tract Map 20450. This extension will allow the public and interested parties additional time to comment on the MND. The new public comment period will end on **November 14, 2022**. Notices have also been resent to the neighboring properties and involved agencies, notifying them of the new public comment period.
