X Riverside County Clerk
County of Riverside
2724 Gateway Drive
Riverside, CA 92507

Lead Agency: Same as above.

Subject: Filing of Notice of Determination in compliance with Section 21152 of the Public Resources Code

State Clearinghouse Number: 2022090378

Project Title: Perris Valley Channel (PVC) Lateral B, Stage 4 Project

Project Location: The Project site is located on March Air Reserve Base, Riverside County. The Project is located on APNs 294-220-003, 294-200-002, 294-180-007, 294-180-006, 294-180-037, 294-180-055, and 294-180-017 in Township 3 South, Range 4 West, Sections 36 within the U.S. Geological Survey (USGS) Steele Peak and Perris 7.5 Series Topographic Quadrangle Maps. The latitude/longitude for the Project is 33°54'33"N, 117°16'17"W.

Project Description: The District, in partnership with the March Joint Powers Authority (MJPA) and March Air Reserve Base (MARB) is proposing to construct the PVC Lateral B, Stage 4 Project, an approximately 6,000-lineal-foot underground reinforced concrete box (RCB) storm drain partially located within the limits of the city of Perris and lands owned by MJPA and MARB in southwestern Riverside County.

The objectives of the Project are to: provide flood protection to MARB and the adjacent area by constructing the regional storm drain needed to convey 100-year runoff from the PVC Lateral B, Stage 5 facility to the existing PVC Lateral B, Stage 2 facility at Heacock Street; and provide adequate outlet to proposed developments west of the Project within the city of Perris. The Project's general alignment begins at the downstream terminus of PVC Lateral B, Stage 5 facility and continues south and east adjacent to the MARB west perimeter security fence before tying into the PVC Lateral B, Stage 2 facility at Heacock Street. The Project would be located mostly within MARB right of way.

CEQA Determination: This is to advise that the Riverside County Flood Control and Water Conservation District (Lead Agency) approved the above-described Project on January 9, 2024, and has made the following determinations:

1. The Project will not have a significant effect on the environment.
2. A Mitigated Negative Declaration was adopted for this Project pursuant to the provisions of CEQA.
3. Mitigation measures were made as a condition of the approval of the Project.
4. A Mitigation Monitoring Program was adopted for the Project.
5. A Statement of Overriding Considerations was not adopted for this Project.
6. Findings were made pursuant to the provisions of CEQA.

Public Access to Environmental Document: The MND is available to the General Public at the Office of the Clerk of the Board, County Administrative Center, 4080 Lemon Street, Riverside, CA 92507. The MND is also available at the District office located at 1995 Market Street, Riverside, CA 92501.
