Present Land Use/Zoning/General Plan Designation: _____

Project Description: (please use a separate page if necessary)

The City of Adelanto is reviewing an application to construct nineteen new buildings within a 21.86-acre property that is currently undeveloped. The site is zoned as Manufacturing/Industrial (M/I). The nineteen buildings would have a total floor area of 324, 220 square feet. Each building would consist of either a single or two-level structure with a maximum building height of approximately 30-feet. A stormwater detention basin would be located in the north-eastern portion of the site. The individual buildings would range in size from 10,000 square feet to 34,620 square feet, each. The proposed project would be used for the cultivation, manufacturing, and distribution of adult and medicinal cannabis. Vehicular access would be provided by four, 26-foot-wide driveway connections with the north side of Violet Road. Access to the individual buildings would be provided by a series of internal, 26-foot wide, drive aisles. A total of 364 parking spaces would be provided, including 22 ADA parking spaces. In addition, a total of 33 loading spaces would be provided. Landscaping would total 314,360 square feet (9.10-acres) and would be provided throughout the site. The project site is located on the northeast corner of Aster Road and Violet Road. The corresponding Assessor's Parcel Number (APN) is 0459-441-38. The proposed project would require the approval of a conditional use permit (CUP 22-10), a land development permit (LDP 22-07), and a tentative parcel map (TPM 20498).

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X".
If you have already sent your document to the agency please denote that with an "S".
