To the Office of Planning and Research:

Please remove the submission of the Draft EIR for the "El Dorado to Clinton Rehabilitation" posting under SCH number, 2022100007. This submission must be removed since an existing SCH number already existed for this project.

This project was resubmitted to the existing SCH number of 2019090216 accordingly on October 4, 2022. The project is now published and available.

Sincerely,

A handwritten signature in blue ink, appearing to read 'T. Norris', written over the typed name.
