Project Description:

The project would demolish five of the 20 existing residential buildings and one leasing office building, for a total of six buildings, on the 9.14-acre site (resulting in the removal of 42 of the existing 180 apartment units on-site) and associated surface parking and landscaping in order to construct two new apartment buildings approximately 235,689 square feet and including 233 studio, one-bedroom, and two-bedroom apartment units (33 apartments of which would be for very-low income residents), over a two-level underground parking garage.

This is to advise that the City of Mountain View City Council has approved the Environmental Assessment for the
Lead Agency Responsible Agency

above described project on September 27, 2022, and has made the following determinations regarding the above described project:

(Date)

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures will be made a condition of the approval of the project.
4. A statement of Overriding Considerations was adopted for this project.
5. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final Negative Declaration with comments and responses and record of project approval is available to the General Public at:
