(Public Resources Code section 21108)**File Ref: W30134  
SCH#: 2022100043  
Item: 71

Title: Rincon Phase 2 Decommissioning Project

Applicant: State Lands Commission

Location: Rincon Island is located approximately 3,000 feet offshore of Punta Gorda in Ventura County. The Rincon Island Causeway (causeway), or access pier, connects the Island to the coast. The Onshore Facility is located 1.3 miles to the east and down-coast of Rincon Island at 5750 W. Pacific Coast Highway.

Description: The proposed Project would include removal of Rincon Island's remaining surface structures and remediation of the Island's contaminated soil and interstitial water, improvements to the State Coastal Conservancy parcel adjacent to the Rincon Island causeway landing/abutment, decommissioning of onshore pipeline connections from the causeway abutment to the vault box, and remediation of the onshore facility. The Commission's action is certification of a Final Environmental Impact Report, State Clearinghouse No. 2022100043; adoption of a Mitigation Monitoring Program and Statement of Findings; and authorization to proceed with the Rincon Island, Onshore Facility (Option 2), and Onshore Pipeline Connections (OPC) components of the Rincon Phase 2 Decommissioning Project.

This is to advise that the California State Lands Commission, as  Lead Agency  Responsible Agency, approved the above-described project on August 29, 2024, and made the following determinations regarding the project.

- 1) The project  will  will not have a significant effect on the environment.
- 2) An  Environmental Impact Report (EIR) was prepared pursuant to the provisions of CEQA.
- 3) Mitigation measures  were  were not made a condition of the approval of the project.
- 4) A mitigation reporting or monitoring plan  was or  was not adopted for this project.
- 5) A Statement of Overriding Considerations  was  was not adopted for the project.
- 6) Findings  were  were not made pursuant to the provisions of CEQA.

The EIR and Mitigation Monitoring Program prepared for this project by the California State Lands Commission and certified on August 29, 2024, and the record of project approval, may be examined at the above shown California State Lands Commission Sacramento office address.
