

# Public Notice

## Notice of Intent to Adopt a Negative Declaration Study Results Available Changes Proposed for U.S. Route 395 in Inyo County Opportunity for Public Hearing

### What's Being Planned:

The California Department of Transportation (Caltrans) is considering the "Golf Course Two-Way Left Turn Lane I" project, which proposes to widen the pavement and upgrade other facilities in order to construct a two way left turn lane on U.S. Route 395, from postmiles 114.00 to 114.90, near the city of Bishop in Inyo County.

**Why This Ad:** Caltrans has studied the effects this project may have on the environment. Our studies show it will not significantly affect the quality of the environment. The report that explains why is called an Initial Study, Proposed Negative Declaration. This notice is to tell you of the preparation of the document, its availability for you to read and offer comments, and to notify you that the opportunity exists for an online public information meeting should multiple members of the public request one. Please go to the following website for more information:

<https://dot.ca.gov/caltrans-near-me/district-9/district-9-current-projects/golf-course-two-way-left-turn-lane-i>

**What's Available:** Maps, the Proposed Negative Declaration, and the Initial Study for the Golf Course Two-Way Left Turn Lane I Project are available for review via the following ways:

- Online at: <https://dot.ca.gov/caltrans-near-me/district-9/district-9-current-projects/golf-course-two-way-left-turn-lane-i>
- At the Caltrans District 9 Office, 500 South Main Street, Bishop, CA 93514 during business hours.

**Where You Come In:** Do you have any comments about or disagree with the findings of our study as set forth in the Proposed Negative Declaration?

Would you care to make any other comments on the project? Please submit your comments electronically or in writing no later than November 30, 2022 to Ryan Spaulding, Environmental Scientist - Caltrans, at 500 South Main Street, Bishop, CA 93514, or [Ryan.Spaulding@dot.ca.gov](mailto:Ryan.Spaulding@dot.ca.gov). The date we will begin accepting comments is November 1, 2022. If there are no major comments, Caltrans will proceed with the project's design.

For more information about this study or any transportation matter, call CALTRANS at 1-760-872-0601. Individuals who require documents in alternative formats are requested to contact the District 9 Public Affairs Office at 1-760-872-0603. TDD users may contact the California Relay Service TDD line at 1-800-735-2929, or Voice Line at 1-800-735-2922.
