Project Title: Airport Business Centre North Project

Project Applicant: City of Manteca

Project Location (include county): City of Manteca, San Joaquin County

Project Description:

The Project is a 360K-sf tilt up concrete building with 242 car parking stalls, 93 trailer stalls, 46 truck docks, and landscaping along Airport Wy. The building has 355K sf for warehouse, and 5K sf for office. The design allows only one auto vehicule access along Airport Wy with no truck ingress/egress. All truck movement ingress/egress to the site is via Intermodal Wy/Tactical Wy with a long on- site private drive along the western side of the Project site. This driveway provides stacking capabilities which eliminates the possibility of backup on to Tactical Wy. There will be no through on-site circulation for truck traffic to reach Airport Wy with the intent to restrict the truck access to Airport Wy.
