Project Description: The California Department of Transportation (Caltrans) District 7 has completed the Initial Study (IS) with Mitigated Negative Declaration (MND) / Environmental Assessment (EA) with Finding of No Significant Impact (FONSI) for the State Route 1 San Gabriel River Br. Widening Project. The MND/FONSI identifies Alternative 3 (Build Alternative – Single Side Widening) as the Preferred Alternative. This alternative would widen the bridge to provide standard bridge rails and standard lanes, median, shoulders, and sidewalks.

This is to advise you that a finding of No Significant Impact (FONSI) has been made for this project by the California Department of Transportation as assigned by the Federal Highway Administration pursuant to 23 USC 327. A copy of the FONSI and the attached Environmental Assessment can be obtained from the California Department of Transportation office located at the above address.
