Project Title: Habitat-Friendly Structures: Nature-Based Shoreline Solutions Along Harbor Island Park in San Diego Bay

Project Location – Specific: Harbor Island

Project location – City: San Diego

Project Location – County: San Diego County

Description of Nature, Purpose, and Beneficiaries of Project: *The District received congressionally directed funding in the federal budget to support the expansion of coastal habitat and shoreline protection along Harbor Island. The type of nature-based shoreline solution, including design, size, and specific location would be determined as a part of this funding.*

Name of Public Agency Approving Project: San Diego Unified Port District

Name of Person or Agency Carrying Out Project: Eileen Maher, Environmental Conservation, Planning and Environment Division, San Diego Unified Port District, 3165 Pacific Highway, San Diego, CA 92101, (619) 686-6254

- Exempt Status:** (Check one):
- Ministerial (Sec. 21080(b)(1); 15268);
 - Declared Emergency (Sec. 21080(b)(3); 15269(a));
 - Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
 - Categorical Exemption: *Existing Facilities (SG § 15306) (Class 6), Information Collection*
 - Statutory Exemption. State code number:

Reason why project is exempt: *The proposed project is determined to be Categorically Exempt pursuant to the CEQA Guidelines and the Sections of the District's Guidelines for Compliance with CEQA as identified below. These are appropriate for the proposed project because the project would consist of accepting congressionally directed community investment funds to conduct research and resource evaluation activities which do not result in a serious or major disturbance to an environmental resource. These activities would inform the design and plans for the habitat-friendly shoreline structures, however at this time those are not available to adequately assess the action and supplemental environmental review could be required once those are determined. The District has determined none of the six exceptions to the use of a categorical exemption apply to this project (CEQA Guidelines Section 15300.2). Section 3.b (2) of the District's CEQA Guidelines is as follows:*

3.f. Information Collection (SG § 15306) (Class 6): Includes basic data collection, research, experimental management, and resource evaluation activities which do not result in a serious or major disturbance to an environmental resource. These may be for information gathering purposes, or as part of a study leading to an action which has not yet been approved, adopted or funded.
