Project Description: (please use a separate page if necessary)

The project proposes to subdivide a 5.14-acre site into two lots. Approximately 3.58 acres of the 5.14-acre project site will be utilized for the proposed project while 1.56 acres will remain as an existing lot continuing current construction activities. This existing lot is considered Lot 1 and is "not a part" of the proposed storage project on Lot 2. The project proposes the development of five storage buildings and an office building on the project site. Primary access to the project site will be located at Indio Boulevard. The proposed office building will be 1,000 square feet, and the proposed storage buildings will be 91,696 square feet in total, for a total of 92,696 square feet of proposed structures. The project also proposes access roads, hardscape, parking areas, and landscaped areas.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
