

NOTICE OF INTENT TO ADOPT NEGATIVE DECLARATION FOR THE 2022 REGIONAL TRANSPORTATION
PLAN FOR TRINITY COUNTY

This notice is to inform the public and interested agencies that in accordance with the California Environmental Quality Act (CEQA), Trinity County is circulating this Initial Study/Negative Declaration (ND) for the 2022 Regional Transportation Plan (RTP) for public comment.

Project/Location: All of Trinity County.

Project Description: The proposed project provides a vision for the region, supported by transportation goals, for ten-year (2022-2032) and twenty-year (2033-2042) planning horizons. The Regional Transportation Plan assesses the current modes of transportation in Trinity County and the potential of new travel options within the region; identifies projected growth corridors and predicts the future improvements and needs for travel and goods movement; identifies and documents specific actions necessary to address the region's mobility and accessibility needs; and determines prioritized regional transportation projects and funding strategies for Trinity County over the next twenty years. The RTP covers all transportation modes including local roadway improvements and maintenance, State highways, bridges, transit, bicycle, pedestrian, rail, and aviation. The final document provides a framework for prioritizing projects and developing a planning level schedule for implementation of projects across Trinity County.

Document Availability: The Initial Study/ND will be available for review at the following locations beginning on Wednesday, November 2, 2022:

- County of Trinity, PO Box 2819, Weaverville CA 96093
