Project Description: (please use a separate page if necessary)

The City of Arcata proposes to construct approximately 3.5-miles of Class I bike path with highway overpass and trailhead improvements through north Arcata and the unincorporated County. The Project is located along an inactive segment of railroad corridor within the Great Redwood Trail Agency right-of-way and properties held in fee, between Sunset Avenue and Humboldt Bay Municipal Water District's Park 1 on West End Road. The Project would provide a safe walking and biking route from the existing northern terminus of the Humboldt Bay Trail at the Arcata Skate Park to the Valley West neighborhood, the Aldergrove business park, and the Mad River. In addition to safety and connectivity improvements, the trail would provide opportunities for nature study and recreation.
