

NOTICE OF EXEMPTION

TO: County Clerk, County of Contra Costa
555 Escobar Street, Martinez, CA 94553

FROM: Central Contra Costa Sanitary District (Central San)
5019 Imhoff Place, Martinez, CA 94553

PROJECT TITLE: Recreational Vehicle (RV) Wastewater Receiving Station Program

PROJECT LOCATION-SPECIFIC: 5019 Imhoff Place

PROJECT LOCATION-CITY AND COUNTY: Unincorporated Martinez, Contra Costa County (see Attachment 1)

PROJECT DESCRIPTION: At its May 6, 2021 meeting, the Central San Board of Directors approved including the construction of an RV Wastewater Receiving Station as part of the Contractor Staging Project, District Project 7375. At its October 20, 2022 meeting, the Board approved that the facility should be a self-service RV station operated for three years at no charge as a pilot program. The hours of operation would be 7:00 am to 7:00 pm for seven days a week. Staff will report back to the Board after the first year on these hours of operations to determine if revisions are needed.

PROJECT APPLICANT: Central San

PUBLIC AGENCY: Central San

LEAD AGENCY: Central San

EXEMPT STATUS: CEQA Guidelines Section 15061(b)(3)

REASONS WHY PROJECT IS EXEMPT: At its October 20, 2022 meeting, the Central San Board of Directors independently found that this Project is exempt from CEQA under Central San CEQA Guidelines Section 15061(b)(3) in that the project is covered by the common-sense rule exemption that CEQA applies only to projects which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA. This certainly comes from the limited environmental disturbance produced by operation of such a facility at an existing wastewater treatment plant.
