

Notice of Intent to Adopt an Initial Study / Mitigated Negative Declaration
for the Linne Road/Corral Hollow Road Intersection Improvement Project

- Lead Agency:** City of Tracy
Development Services Department
333 Civic Center Plaza
Tracy, CA 95376
- Project Title:** Linne Road/Corral Hollow Road Intersection Improvement Project
- Project Location:** The proposed project is located within the City of Tracy in San Joaquin County, California. The project site is located at the intersection of Corral Hollow Road and Linne Road. The project site is located approximately 1.5 miles north of the Interstate 5/Corral Hollow Road freeway interchange and approximately 0.75-mile north of the Tracy Municipal Airport. The closest street addresses are: 11888 W. Linne Road, and 28720 South Corral Hollow Road.
- Project Description:** The proposed project would make transportation improvements within Corral Hollow Road, Linne Road, within the intersection of the two roadways and within portions of adjacent parcels. Improvements would include widening Corral Hollow Road, Linne Road, and the addition of signals within the intersection. Corral Hollow Road would be widened to two (2) travel lanes in each direction. Improvements to Linne Road would be made, to widen the road to enable paving and striping of a new right turn-only lane. The existing left lane would remain and be used as left only to southbound Corral Hollow Road. New traffic signals would also be installed at the intersection of Corral Hollow Road and W. Linne Road as well as streetlights and a pre-signal north of the UPRR crossing for southbound traffic along Corral Hollow Road
- Findings/Determination:** The City of Tracy has reviewed and considered the proposed project and has determined that the project will not have a significant effect on the environment with the incorporation of mitigation measures, with substantial supporting evidence provided in the Initial Study. The City

hereby prepares and proposes to adopt a Mitigated Negative Declaration for this project.
